

Benefits of using Green Water Rain Barrels:

- 1 Naturally softened water is great for organic gardens, but also ideal for delicate houseplants and auto cleaning
- 2 Saves money by lowering your water bill
- 3 Green Water rain barrels are manufactured using recycled barrels from local Austin businesses, reducing the demand on local landfills
- 4 Chlorine-free water helps maintain a healthy biotic community in the soil
- 5 Educational tool for teaching residents about water conservation
- 6 Refund program in place from City of Austin Rain Barrel Rebate Program
- 7 Helps to prevent/reduce the cost of sewage treatment facilities
- 8 Perfect back-up source for water in drought or between rain showers
