

Green Water

01/14/10

We wanted to inform you about some upcoming events featuring Green Water rain barrels and rainwater harvesting solutions. We'd love to see you at the upcoming events. Feel free to forward to any interested friends and family.

Saturday, January 16th, 2010:

Austin Backyard Poultry Group Meeting ([Callahan's General Store](#))

- The Austin Backyard Poultry Meetup Group is for people who have small backyard flocks of chickens for pets, eggs, and meat.
- We welcome everyone that has a small backyard flock of chickens or other backyard poultry, as well as those that are interested in getting started raising a small flock of backyard poultry.
- Click [HERE](#) for more detailed information and to sign up!
- John/Ben will be onsite to demonstrate effective rainwater collection techniques and to display Green Water Rain Harvesting Products
- 2pm-4pm with registration beginning at 1:45pm

Saturday, January 16th, 2010:

Austin Farmer's Market

- 9am-1pm
- 4th and Guadalupe
- Green Water Rain Barrels on display in [Resolution Gardens](#) Booth

Sunday, January 17th, 2010:

Vermicomposting Class

- Free Vermicomposting class at 18317 Shallow Pool Drive Pflugerville, TX 78660 at 11am on January 17, 2010. Please RSVP to cristie.fields@dougiewaynes.com
- You will need to bring a 16gal tote (if desired) and we will show you how to set up your own worm bins. There is no cost associated with the class. If you desire to purchase worms it will be as follows:
1/2lb \$15
1lb \$25

We hope to see you at one of the events! Spring is just around the corner...keep an eye out for more helpful Spring preparation and gardening techniques to come!

Sincerely,

John Rowe
